Members of the Southwestern Oklahoma State University-Sayre Phi Beta Lambda organization recently toured the Elk City Bar-S Foods Company.

Earl Behrens, materials coordinator at Bar-S, conducted the tour and explained the operation and function of the Elk City company.

In addition to his duties at Bar-S, Behrens is also a business student at the SWOSU-Sayre campus. Rick Rainey, plant controller of Bar-S, gave the SWOSU-Sayre students a brief explanation of his accounting responsibilities.
